THE STATE who are members of the  
College of Surgeons London, in the May

practice is of upwards of thirty years' extensive  
practice in London.

**FOR YOUNG MEN**  
There is an evil which sometimes indulges  
in by boys, in a habit of trying to  
in their late manhood, and which, if not  
checked by them in due time, not only be-  
comes an obstacle to antimonial pro-  
cesses, but gives rise to a series of protracted  
illusions, and devastating affections  
of those who give way to this point  
of weakness. It has been the consequence  
until they find the nervous system  
debilitated, feel strange and uncomfortable  
illings, and vague fears in the mind  
of self-abuse is one of the most formidable  
of habits, for nothing else in the  
entire catalogue of human diseases causes  
so much distress. It has been the source  
of many a fatal case, and has been the  
cause of thousands of victims through  
years of suffering due to a un-  
natural. It destroys the nervous sys-  
tem, wastes away the energies of life,  
causes mental derangement, prevents the  
proper development of the system, disqualifies  
for marriage, society, business, and all  
other happy enjoyments of life. It is often  
checked in body and mind, predisposed to  
consumption and again of evils more to  
be dreaded than death itself.

**FOR YOUNG MEN TO BE PARTICULAR**  
**NOTICE**  
DR. AMOS & SON take pleasure in an-  
nouncing that they have invented a medi-  
cament instrument for the cure of the  
above-mentioned disease. It has been used  
by the most eminent physicians in  
London, Paris, Philadelphia and New  
York; it has been declared the only effec-  
tive instrument ever invented for the cure of  
the internal weakness, or any disease of the  
nervous system, caused by the secret habit  
of manhood. It is sold by Mail or Ex-  
press. N. B.—Dr. AMOS & SON, under-  
stand it to be the most skeptical as to the merits  
of an instrument, pledge themselves to  
any instance where it may prove un-  
satisfactory, after a fair trial, the money will  
be refunded by returning the instrument in  
good order.
